Professional Experience

River Guide ARTA River Trips May 2019 - Present	Provides opportunities for guests to experience the river in a safe and meaningful way. Manages equipment, assists in leading hikes and teaching the fundamentals of rowing and reading water for rowing schools.
Ski Instructor Schweitzer Mountain Resort December 2019 - Present	Responsible for teaching skiing fundamentals, often working with first- timers or beginners. Assesses skill level and plans activities accordingly.
Outdoor Pursuits Intern North Idaho College May 2018 - December 2018	Assisted with all manners of operations for Outdoor Pursuits, including teaching various outdoor activities and courses, and managing equipment rentals and repairs.
Compost Intern GCSU Office of Sustainability January 2018 - May 2018	Diverted food waste from the Georgia College student cafeteria to make compost daily. This provided research opportunities for students while also decreasing environmental degradation.
Outdoor Center Staff Georgia College Outdoor Center September 2017 - May 2018	Developed challenge course and group development programs for various members within the community, including students and adults.
Camp Staff Three Creek Ranch June 2017 - August 2017	Assisted in leading weekly field trips to Grand Teton National Park for groups of 15-20 children, ages 6-11. Field trips allowed participants to connect with and learn about the Greater Yellowstone Ecosystem.
Teaching Assistant Georgia College Practicum August 2016 - December 2016	Developed lesson plans to teach students basic outdoor living skills. Assisted in leading a 3-day overnight backpacking trip where students applied these skills.
